

Congress of the United States

House of Representatives

Dear Prospective Officers,

Thank you for your interest in applying for a Nomination to a United States Service Academy.

The process of Nominating the best and brightest young men and women from Florida's 17th District to our nation's service academies is one of the most rewarding duties as a Member of Congress. If nominated and appointed, your time at these academies will stretch you physically and intellectually and will serve to build a strong foundation for a successful career as a military officer in the service of our nation.

A Congressional nomination is required for students wishing to enter the United States Military Academy (West Point, NY), the United States Naval Academy (Annapolis, MD), the United States Air Force Academy (Colorado Springs, CO), and the United States Merchant Marine Academy (Kings Point, NY). Successful applicants will have a broad academic background, the ability to pass a physical aptitude test, and strong leadership potential. An applicant must also be a United States citizen, a high school graduate between the ages of seventeen and twenty-three, unmarried, have no dependents, and have high moral character. Acceptance of a service academy appointment requires at least a nine-year service obligation, including four years at an academy and five years of active duty service.

For your reference, I have enclosed the District 17 United States Military Nomination Packet. Please review all information provided and follow instructions entirely. Please return the completed packet, with all requirements to my Venice Office no later than **Monday, September 14, 2020** to be considered for the class entering service in July of 2020. Please contact Libby Bolles, in my district office at 941-499-3214, or by email at libby.bolles@mail.house.gov.

Additionally, I can only nominate individuals who reside in my congressional district. Please go to <https://www.house.gov/representatives/find-your-representative> to confirm your residence in District 17.

Thank you for your interest in the United States Service Academy.

Sincerely,

2020 United States Military Nomination Packet

An appointment to the United States Military Academy, United States Naval Academy, United States Air Force Academy, or the United States Merchant Marine Academy is a distinct and rare honor. Acceptance of an academy appointment requires at least a nine-year service obligation, including four years at an academy and five years of active duty service.

Eligibility

To be eligible for a nomination in District 17, applicants must reside in District 17. You can visit <https://www.house.gov/representatives/find-your-representative> to confirm your residence in District 17. *You cannot apply for nomination through another U.S. House of Representative's office.*

To be eligible for appointment, you must be an American citizen, at least seventeen years old and not yet twenty three years old on July 1 of the year you enter an academy (Twenty five years old for the United States Merchant Marine Academy). Further, you must not be married or pregnant, and you must not have any legal obligation to support children or other dependents.

Nomination

The nomination process is very competitive. I urge you to apply for a nomination from me as well as Senators Marco Rubio and Rick Scott from our state who can nominate qualified applicants to the four service academies. If you are interested in attending the United States Military Academy, United States Naval Academy, and the United States Air Force Academy, you may also qualify for nomination through other sources, including:

- President Donald Trump, who nominates children of career military personnel, deceased or disabled veterans, military or civilian personnel in missing status, and Medal of Honor recipients;
- Vice President Mike Pence, who nominates five individuals from across the United States per year; and
- The Secretary of each military department, Army, Navy, and Air Force, who nominates members of regular military, reserve components, and participants in the ROTC.

Further information regarding application procedures for these nominations is available through each academy's website, listed below. Applying for more than one nomination increases your chances of securing a nomination. More than one nomination, however, is neither required nor of assistance in gaining an appointment. If another authority nominates you, please notify me so that I may allow other candidates the opportunity for nomination.

Evaluation Criteria

The academies consider evidence of character, scholarship, leadership, physical aptitude, medical fitness, personal goals, and motivation in performing each nominee's "whole person" evaluation. These are also the criteria my selection committee will review for a potential nominee.

Character: Absolutely critical in the course of evaluating a candidate is a positive determination of the candidate's character. Absence of good moral character is cause for disqualification. Candidates are considered to have good moral character unless evidence exists to suggest otherwise.

Scholarship: Each element of a candidate's academic record is carefully evaluated by the service academy's admissions board. The elements evaluated include a complete high school record (and college record, when applicable), class standing and either the SAT or ACT scores. All strengths and weaknesses in a candidate's academic background are taken into account.

Leadership: Participation and achievement in organized athletics, student body and class government, clubs, and other extracurricular activities demonstrate evident of leadership potential. Candidates who have found it necessary to work to provide family support are considered to have demonstrated desirable leadership potential.

Physical Aptitude: Measuring strength, endurance, agility, and coordination, the academies' fitness tests are designed to determine each candidate's readiness to undertake the rigorous athletic and physical education program at one of the academies. Each academy has its own test requirements. Results of the examination are evaluated, assigned a numerical score, and included in the "whole person" evaluation by West Point. The Air Force, Naval, and Merchant Marine academies evaluate the results on a pass-or-fail basis.

Medical Fitness: A candidate who meets minimum scholastic standards will be scheduled to take a service academy qualifying medical examination at a military or civilian contract facility near the candidate's home. Although medical qualification standards vary among the academies, only one exam is required. Different tests may be necessary, however, depending upon the academy. Scheduling and evaluation of the exam are arranged by the Department of Defense Medical Examination Review Board (DODMERB). <https://dodmerb.tricare.osd.mil/default.asp> Candidates who have questions about their medical exam results should direct them to:

DODMERB (719) 472-3562
8034 Edgerton Drive, Suite 132
USAF Academy, CO 80840-2200

Medical scheduling and evaluation are time-consuming processes, especially if consultation, re-testing, or corrective action is required. The process may take from six weeks to four months.

Motivation: Motivation is an intangible quality and difficult to evaluate; however, since it is most frequently the factor that determines an appointee's success or failure at a service academy, I make every effort to gauge a candidate's motivation. An attempt to measure motivation may be made through observation of the candidate's interest level in attending an academy and serving as an officer in the armed forces. Motivation may also be measured through an evaluation of correspondence, personal contacts, and care with which application materials are prepared.

We encourage you to contact or remain in contact with the service academy of your choice. This should be done immediately to be considered. Competing for a nomination through a congressional office is a process completely separate from working with a service academy's admissions office to fulfill its entry requirements. Both requirements must be met in order to be eligible for an offer of appointment.
