Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Charlotte County septic-to-sewer conversion project in fiscal year 2024. The entity to receive funding for this project is Charlotte County, located at 18500 Murdock Circle, Port Charlotte, FL 33948. The funding would be used to partner with the Army Corps of Engineers so Charlotte County may advance their septic-to-sewer program. The project is an appropriate use of taxpayer funds because it would increase water quality in my district and lower the risk of septic seepage. The project has a federal nexus because the funding provided is for purposes authorized by Section 8375 of the 2022 Water Resources Development Act. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "W. Gregory Steube".
