Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Fruitville Road Corridor Capacity Improvement Project. The entity to receive funding for the project is Sarasota County, located at 1660 Ringling Boulevard, Sarasota, FL 34236. The funding would be used for multi-modal roadway and regional connectivity improvements, to include right of way acquisition and infrastructure and utility improvements, on Fruitville Road in Sarasota County, FL. The project is an appropriate use of taxpayer funds because it would help ease traffic congestion and improve connectivity along a vital corridor relied upon by residents, businesses, and emergency services in eastern Sarasota County. The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

W. Gregory Steube
Member of Congress
