Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Sarasota Police Department Radio Replacement Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Sarasota, located at 1565 1st Street, Sarasota, FL 34236. The funding would be used for the replacement of the department's radio outdated radio system. The project is an appropriate use of taxpayer funds because the department's current radios are obsolete, no longer manufactured, and must be replaced in order to strengthen communications and increase officer and public safety. The project has a federal nexus because the funding provided is for purposes authorized by section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)). I certify that I have no financial interest in this project, and neither does anyone in my immediate family. Sincerely, Member of Congress

Sincerely,
