Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Venice Jetty Repair Project in Fiscal Year 2027. The entity to receive funding for this project is the U.S. Army Corps of Engineers Jacksonville District, located at 701 San Marco Blvd., Jacksonville, FL 32207. The funding would be used to begin repair work of the Venice Jetty at Casey's Pass, including bulkhead and structural stabilization efforts, which was damaged as a result of Hurricane Milton. The project is an appropriate use of taxpayer funds because it would help repair a structural system that is essential to protecting homes and businesses in the coastal community. The project has a federal nexus because the funding provided is for purposes authorized by the Rivers and Harbors Act of 1938 (52 Stat. 1215) and the Rivers and Harbors Act of 1945 (PL 79-14). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

W. Gregory Steube
Member of Congress
